## THE YACHTING WORLD

Interested In the Contest of the Columbia and Shamrock.

## MEASUREMENTS OF BOATS.

Hotels at New York Are Filled With Admirers of Sea Races and An Unusually Large Crowd Is Expected.

New York, Oct. 2.—The Columbia-Shamrock races will be witnessed by a throng vastly larger than that which has attended previous contests for the famous cup, and yet the racers will have a clean ground, owing to federal supervision of the courses.

Yachtmen are coming from all parts of the United States. The fleet of private pleasure yachts now in these waters is larger than ever before known. In fact nearly every steam yacht on the American list is now anchored in the vicinity of New York, and pretty much of all American society that is not afraid of seasickness will be afloat Tuesday.

Hundreds of enthusiastic yachtmen are already at the hotels. There is not the slightest doubt that three times as many people will see the contests between the Columbia and the Shamrock as ever before saw an international yacht race.

The English visitors who have come are far greater in number and more distinguished than ever came for that purpose before. Nearly all of the guests of Sir Thomas Lipton on board the *Erin* will be from England, the best known of whom is Lord Charles Beresford, who is accompanied by Lady Beresford. Among the other guests are Lord Minto, governor general of Canada, and Lady Minto, Lord Russell of England and Sir Henry Burdell.

Prince Ranjitsinhji and all the English visitors in his team will be the guests of Sir Thomas.

Friends of Sir Thomas say that he really expects to take the cup back to English waters, and that the preliminary work of the two boats has added to his confidence as to the result.

As to the courses to be laid, there are three races in which the yachts must beat 15 miles to windward, and run 15 miles before it. The other two courses are around a triangle wherein 20 miles of each course are to be covered by reaching so the Columbia gets three races to her liking, whereas the Shamrock has two races to her liking.

The races may be sailed where the wind rose above 30 miles an hour. The races will be started in any wind, under which the kachts can carry a roofed mainsail and jib, and that means weather in which nine-tenths of the excursionists will be glad to find shelter under Sandy Hook.

The yachts Columbia and Shamrock were measured at the navy yard by Measurer John Hyslop of the New York club. Sir Thomas Lipton and the rest of the Lipton party were present.

After the Columbia had been measured for the first trial, 1,700 pounds of lead were put into her hold.

Consul Pierce said that the cable was of such a nature that he could not make it public, but he was at liberty to say that the president of the Orange Free State had made an ineffectual effort to induce President McKinley to request other powerful nations to act with the United States as arbitrators between England and the Transvaal. Mr. Pierce said that the warm and close relations between Great Britain and the United States prevented President McKinley moving in so momentous a matter.

Dubuque, Ia., Oct. 2.—The butchers of this city, who have hitherto bought their meats from Chicago companies, have combined to do their own slaughtering. Lincoln, Neb., Oct. 2.—Colonel W. J. Bryan completed his Nebraska speech-making tour at Fairbury and left for Dallas, Tex., where he will take part in the Democratic rally. ## DEPARTURE FROM NEW YORK

Thousands of People Line the Streets of the Metropolis in Order to Catch a Glimpse of Man's Hero.

New York, Oct. 2.—Admiral Dewey arose early and began preparations for his departure at 1 p. m. for Washington. After a light breakfast, during which he chatted with the members of his family, the admiral expressed himself as being much refreshed after the fatiguing incidents of the past week. Mayor Van Wyck called about

ADMIRAL DEWEY IN CITIZEN'S DRESS.

10 a. m. and had a short talk with the admiral, whom he bade goodbye. Before he allowed the mayor to leave, Admiral Dewey told him to thank the people of New York for him for the remarkable demonstration in his honor. "It was magnificent," said the admiral, "and far exceeded my expectations." Admiral Dewey and party went by the naval tug *Nina* to Jersey City, where they boarded the Pennsylvania train, leaving for Washington at 12:20 p. m.

When Admiral Dewey left the Waldorf-Astoria to go to Jersey City, the stoops and window sills and railings of all the houses between the end of the hotel on Thirty-third street and Fifth avenue were filled with people anxious to catch a glimpse of him. Down Fifth avenue the line extended, each side of the street being filled with people.

The committee went up to Admiral Dewey's room with some of the members of the Washington committee, which is to escort the admiral to the capital. These were Senator Redfield Proctor of Vermont, Commander Baird and John Jay Edson.

The admiral and his son George came out of the hotel together, and Mr. Edson handed the admiral in his carriage. The crowd immediately recognized the admiral, who was in civilian clothing, and a great cheer went up. Admiral Dewey bowed his acknowledgements.

All the way down the avenue to Twenty-fifth street the admiral's arrival was awaited by a huge crowd. As his carriage came along, the people cheered again and again, the admiral acknowledging the greeting by raising his hat and bowing. The carriages drove down Twenty-fifth street to the river, where the admiral boarded the navy yard tug *Nina*.

### Dewey at Washington.

Washington, Oct. 2.—Admiral Dewey arrived here from New York at 7 p. m. An admiral's salute was fired. The program, including an illuminated parade, was carried out. McLean, Democratic candidate for governor of Ohio.

## VAST AMOUNTS

Added to Tax Duplicate by Inquisitors in Various Counties.

Columbus, O., Oct. 2.—The statistics relating to additions to the tax duplicate for the year 1898, by inquisitors, just completed by Secretary of State Kinney, shows a very large increase over any preceding year, and it is also shown that more counties have inquisitors than ever before. All but 21 of the 88 counties now have inquisitors. The amount added to the duplicate last year was \$12,414,393.44, as compared with \$13,076,753.34 for the preceding year, and the amount of taxes upon property so added was last year \$1,139,626.04, as compared with \$500,676.95 the preceding year. The tax inquisitors received \$134,663.24 last year and \$100,922.94 the year preceding. The largest amount added to the duplicate in any county was in Richland, which is, however, in litigation. ### Captain Watkins to Flight.

He said he came back to fight the United States board of steam vessel inspectors who suspended him for two years in consequence of the accident. He left at once for Long Branch, and he expects in a few days to be in Washington. He freely criticised the English board of trade for what he termed "a confounded impudent action."

### Made New Arrangements.

New Orleans, Oct. 2.—There was again some excitement on the floor of the New Orleans cotton exchange due to an unaccountable lapse of the regular reports from Liverpool, and for a quarter of an hour there were delays in the receipt of advices. Arrangements were promptly made with the Postal Telegraph company for complete reports, as a check against the regular reports of the Western Union.

### Yellow Jack's Record.

## BIG CROWD AT DALLAS.

Grand Gathering of Democrats In the Lone Star State.

## OVATION TO COLONEL BRYAN.

In Order to Accommodate the People the Place of Spelling Was Changed to Race Track Grand Stand.

Dallas, Tex., Oct. 2.—The two days' Democratic carnival opened here, the event of the morning being the arrival of William Jennings Bryan.

The city is packed with Democrats representing 40 states, Oklahoma and Indian territory. Among the prominent men were O. H. P. Belmont of New York, Judge James P. Tarvin of Kentucky, Colonel M. C. Wetmore of Missouri, United States Senators Berry of Arkansas and Chilton of Texas, Congressmen Sulzer of New York, Maddock of Georgia, Richardson of Tennessee, Davis of Florida, Benton and Clark of Missouri, Dinsmore of Arkansas and the Texas delegation, Governor Jones of Arkansas, ex-Governors Adams of Colorado and Crittenden and Stone of Missouri, A. W. Terrell, ex-United States ambassador to Turkey; J. G. Johnson of Kansas, who has recently come into prominence in the Democratic national committee; Mayor Rose of Milwaukee, Harvey Salomon of St. Louis and thousands of lesser lights and leaders.

St. Louis, Kansas City and Milwaukee have delegations here. Those from the two latter cities will present their claims for the Democratic national convention.

The day opened cool and bright, with every prospect for beautiful fall weather. Hundreds of people from the neighboring country towns came in early, augmenting the crowd from more distant parts of the state, which arrived by hundreds.

In order to accommodate the immense crowds the place of speaking was changed from the auditorium to the race track grandstand.

Mr. Bryan arrived at the grandstand shortly after 10 a. m., and was accorded a great ovation. Among those who surrounded him on the speakers' stand were Hon. O. H. P. Belmont of New York, Governor Sayers of Texas, ex-Senator Reagan and all of the Texas congressional delegation. The next important arrival was Governor Stone of Missouri, who was received with cheers. Chairman George Carden introduced Governor Stone. His speech was frequently applauded. The next speaker was Governor Jones of Arkansas. At the conclusion of the Arkansas governor's speech the morning meeting adjourned.

At the conclusion of Governor Jones' address, the crowd went frantic in their demand for Mr. Bryan. Mr. Bryan advanced and made a short speech.

### Molders on Strike.

The molders are on strike for an advance of \$3 for a minimum day's wage, time and a half for extra hours and double time for Sunday work. It is estimated that 1,000 men are out. Ten firms have granted it and their plants will continue in operation. The working molders will contribute to a strike fund to keep their less fortunate brethren out of nonunion foundries.

## EVENING BULLETIN.

ROSSER & McCARTHY,  
Proprietors.

TUESDAY, OCTOBER 3, 1899.

WEATHER FORECAST.—Fair to-night; increasing cloudiness Wednesday.

### JUDGE PHISTER FOR SENATOR.

Judge Thomas R. Phister is spoken of as a Democratic candidate for State Senator. If the Judge will consent to make the race, and receives the nomination, his friends believe he would redeem the district in November. His ability is admitted on every hand, and in addition to this he is very popular in both counties, having a host of friends who would rally to his support.

JUDGE REDWINE is simply not in it as a presiding officer compared with Chairman W. W. Gault.

The Railway Employees Political Club has been organized at Louisville to oppose Senator Goebel. This is not surprising. Senator Goebel has told the people all along that railroad corporations were fighting him.

This Senatorial district is usually Republican, and it is to be represented by a member of that party next term, it should consider itself fortunate that ex-Mayor Cox is to be the man. Mr. Cox is one of Kentucky's best citizens.

MR. HARRY TAYLOR is announced elsewhere as a candidate for City Clerk. He filled the office most acceptably several terms some years ago and is thoroughly qualified in every way for the position. In addition to this he is one of Maysville's best citizens, with a host of friends who will be glad to support him.

### PERSONAL.

On account of the trotting races the L. and N. will sell round trip tickets to Lexington October 3rd to 14th at \$2.00. Return limit October 16th.

REV. SID WILLIAMS preached to a large congregation at the Baptist Church last night. Brother Williams is a warm, pointed, excellent gospel preacher. Mr. Brown's singing and harp playing was superbly sweet. The interest was excellent. Services each afternoon at 2:30 and evening at 7 o'clock. The public invited.

### A Striking Contrast.

[big Sandy News.]

The contrast between the speeches of Mr. Taylor and Mr. Goebel was so striking that no one who heard them could fail to notice it. The former discussed the issues generally and did not touch some of them at all. Mr. Goebel spoke out courageously and positively on every issue, stating just what he would try to put into effect if elected. Mr. Taylor talked political nothings. Mr. Goebel talked business. The former is a man of words and theories, the latter a man of action. Which do the people need in the Governor's chair?

### A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for consumption, coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and I thank God I am saved, and now a well and healthy woman." Trial bottles free at J. Jas. Wood's drug store. Regular size 50c. and \$1. Guaranteed or price refunded.

## LIVELY

Was the Republican Senatorial Convention Monday Afternoon.

Ex-Mayor W. H. Cox Nominated—Delegates Angry Over Chairman Gault's Rulings.

The Republican district convention Monday afternoon to nominate a candidate for State Senator was a little slow in getting started, but an exceedingly lively affair when it did finally get under way.

Some of Chairman W. W. Gault's rulings were so inconsistent and so flagrantly unfair that they excited a chorus of jeers. The cry of "Redwine," "Redwine," "Redwine" was frequently heard, and after Monday's proceedings, our Republican friends are estopped from any further talk against the Louisville convention. Some of the delegates were very angry when they left the court room.

The convention was called to order by Mr. W. D. Cochran, in the absence of the Chairman of the district. On his suggestion the delegation from Lewis took seats on the east side of the room and the Mason delegates on the left.

There was some trouble in securing a temporary Chairman. Mr. George H. Owens, Mr. W. W. Gault, Squire Grigsby and Mr. W. D. Cochran were in turn placed in nomination but each declined the honor. Mr. Owens was finally chosen, notwithstanding his declination. He refused to serve, however, and then Mr. Gault was chosen.

Mr. Preston Wells and Mr. W. C. Halbert were placed in nomination for temporary Secretary. On the suggestion of the Mason delegates Mr. Wells was withdrawn, and Mr. Halbert was elected.

On motion Squire Higgins and Squire Grigsby of Lewis and Mr. Preston Wells and Mr. Geo. H. Owens of Mason were appointed Committee on Resolutions, and Mr. E. C. Roland and Mr. S. K. Parker, of Lewis, and Squire Forman and Mr. Scott Fletcher of Mason Committee on Credentials.

After the lapse of several minutes, Mr. C. Degman moved that a Committee on Rules and Order be appointed. Three votes were heard in favor of the motion, and the Chair proceeded to name Mr. John Short and Mr. Len Purnell of Mason, and Mr. R. M. Parker and Mr. C. L. Tannian of Lewis, as said committee.

Several minutes later a delegate from Lewis moved that the temporary organization be made permanent. It was seconded, but the Chair failed to put it to a vote. Mr. Gault said he had had enough and wanted some one else selected for permanent Chairman. Several minutes elapsed and then some delegate from Mason nominated Judge Wadsworth. There was a second, but the convention wasn't given a chance to vote on the matter.

The Committee on Rules and Order reported recommending that the convention be governed by the rules of the National House of Representatives. Mr. C. C. Degman objected to the report because the committee had failed to say anything about the order of business. The Chair ignored the objections, and proceeded to put a motion to adopt the report. Mr. Degman said he would appeal to the house, but the Chair refused to consider the threat, and put the motion. Without calling for the nays, he declared the report adopted, Mr. Degman protesting all the while. Some of the crowd raised a big laugh by yelling "Redwine" at the Chair.

The reports on credentials and resolutions were presented and adopted. The resolutions indorsed the national and State administrations and the State ticket and denounced the Goebel election law.

Mr. Sam Hickman offered an amendment indorsing the official acts of Congressman S. J. Pugh, and this was included in the resolutions.

A call of the counties was now ordered for nominations. A delegate from Lewis nominated Dr. Bowmen, of Tollesboro. Another delegate from same county nominated W. B. Pugh, of Vanceburg. Mr. Len Purnell placed ex-Mayor W. H.

Cox in nomination. Mr. Ben Kiff, of Helena, presented the name of ex-County Clerk Wm. D. Cochran as "a young Republican leader who was always in the thickest of the fight." Mr. Cochran asked that his name be not considered. Judge Wadsworth got the floor. He said he was not a delegate, but he thought all good Republicans had a right to be heard. He said the Legislature needed purifying and he thought the best way to do that was to send "clean men" to Frankfort, and he presented Rev. T. P. Degman as a candidate.

A ballot was ordered and Lewis cast 48 votes for Bowmen. A delegate protested and claimed the right to cast two votes for Pugh.

When Mason was called Mr. John Short cast 51 votes for Cox. Several delegates at once protested.

Mr. C. C. Degman stated that the delegates were uninstructed, and he claimed his right to cast one vote and he cast it for Dr. Bowmen.

Mr. Short claimed that a caucus had been held and that this caucus decided to support Mr. Cox. Mr. Sam Bridges, Mr. Preston Wells, Mr. Sam T. Hickman and others renewed their protests. They said they were not in any caucus, and claimed their right to cast their vote.

Mr. Bridges cast his vote for Mr. Wm. D. Cochran, but no attention was paid to him.

The delegates were very much excited by this time. Several crowded about the Chairman and held a short caucus with him. A demand was made that the Mason delegation be polled so they could vote as they pleased. A motion to that effect was made by Mr. Hickman, but Chairman Gault ignored it. He finally requested the Secretary to announce the vote. Mr. Halbert announced it as follows:

Bowmen.....49  
Cox.....50

The Chair declared Mr. Cox the nominee, and the announcement was received with cheers.

The Chair had recognized Mr. Degman's right to vote as he pleased, but had refused Mr. Bridges the same right.

Rev. Mr. Degman moved that Mr. Cox's nomination be made unanimous, and the motion was adopted unanimously.

The Chair appointed a committee to notify Mr. Cox, but the nominee was out of town, and the convention then adjourned.

#### Whisky Medicines.

The temperance press is emphasizing the danger to the home in the use of "medicines" which are loaded with whisky or alcohol. In this respect, as well as in the remarkable character of their cure, Dr. Pierce's medicines differ from other preparations. Dr. Pierce's Golden Medical Discovery and "Favorite Prescription" contain no alcohol, whisky or other intoxicant, and are equally free from opium, cocaine and other narcotics. Every family should have a copy of the People's Common Sense Medical Adviser, sent absolutely free on receipt of stamp to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for cloth binding. Address Dr. R. V. Pierce, Buffalo, N. Y.

The company which will present "A Wise Woman," the latest musical farce, at the Washington Opera House in the near future has a really wonderful array of well known people enlisted in the ranks of the organization. The management do not believe in the too common system of "one or two giving the whole show," but have organized what is undoubtedly one of the strongest farce comedy casts ever brought together.

From what we know of these gentlemen, it looks to us like an honest election would be held in Mason County, at least.
